Event support in part by SAMHSA Grant 1H79FG000087: Pitt School of Social Work SUD and Co-Occurring Mental Health Disorder Training and Integration Program. The Program Evaluation and Research Unit (PERU) is dedicated to meaningful work that facilitates each patient or community member's ability to achieve optimal health, well-being, recovery, and choice.

This program is offered for 2.0 CE hours of social work continuing education through co-sponsorship of the University of Pittsburgh's School of Social Work, a Council on Social Work Education accredited school and therefore a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LMFT, and LPC biennial license renewal. For information on social work continuing education please visit socialwork.pitt.edu/continuing-ed.
